Indiana | Campus Compact
15 Years of Partnering Campuses with Communities

For the 10th Annual IARSLCE Conference, the featured theme to advance the field is *International Perspectives: Crossing Boundaries through Research*. In addition, new and continuing tracks will feature research on:

- Student retention, access, and success through service learning and community engagement
- Instructional technology and social media to deepen civic learning and community engagement
- Community development, sustainability, and assessment of partnerships
- Theoretical or conceptual frameworks to advance research
- Civic outcomes for students in a global community

The targeted audience includes those interested in research on service-learning (K-20), campus-community partnerships, and civic outcomes of education. Scholars and attendees from outside of the United States are encouraged to attend and present to advance mutual understanding from multiple perspectives.
