GRADUATE STUDENT SCHOLARSHIP APPLICATION STATEMENT

The scholarship application requires a single-spaced statement not to exceed 500 words that clearly: 1) identifies a research agenda, including a description of design for a research study; 2) addresses how attendance at the conference will benefit the applicant's research and graduate education; and 3) identifies how the applicant has been or is currently involved with service-learning and/or community engagement research via employment, academic study, campus leadership, or other activities.
